

Vicki Lillicrapp

*Director of Navy/Marine Corps Programs
FEDSIM*

Q. What is your biggest accomplishment?

A. I love to travel and I've been to every continent except Antarctica. My parents believed traveling was part of your education. I started traveling in the 4th grade.

Q. Favorite actor/actress/comedian?

A. This is a little embarrassing, but I like SouthPark. I use my Cartman voice on the dog to get her to behave.

Q. Favorite website?

A. E-Bay, because I love to shop. The coolest thing I ever bought on E-Bay was a schematic of a Frank Lloyd Wright house.

Q. What food can't you live without?

A. Pepperoni pizza from Pizza Hut.

Q. Something no one knew about you until now?

A. I got my dive certification in Moorea, it's a small island off Tahiti in French Polynesia.

Q. Greatest obstacle you've ever had to overcome?

A. Being shy. It used to be really hard for me.

Q. Who do you admire?

A. My adoptive parents. They were two of the most amazing, incredible people I've ever known.

Q. What personality trait do you like most about yourself? Why?

A. I'm a good listener. It's really important for me to hear what others are saying and not to prejudge. If you don't listen, you don't learn.
